This site consists of 2 parts, per year:

- An **album** ready to print and to be filed yourself in translucent plastic sleeves ► ▼

The album is ready to use in no time.

The large FDSs are rotated +90° (one per sheet).

The smaller FDS = 2 per sheet.

Display: 70% of actual size.

To print:

- even sheets = front of the FDS for one large FDS or display for the 2 smaller FDS / sheet.
- odd sheet = back of the above-mentioned layouts of the FDS

- A **catalogue** with the existing FDC of the album with a brief information.

Dimensions are not in proportion to reality (larger view at the back).

An overview is added to each year.

There is also an inventory list / year for inventorying your collection.

To be completed in light green cells for FDS in possession and/or double on the right side of each sheet ►

Enjoy this site
